**JACK LAWRENCE**  
LADDER COMPANY 82  
STUDIO CITY, CA

It's a lazy Sunday afternoon in the San Fernando Valley, Sarah Sloan is taking advantage of the hot California sun. Startled by footsteps, she looks up and sees a fireman approaching in her backyard. He tells her that two houses away from here he'd just rescued a cat and her kittens from a tree.

The fireman explains that a couple of kittens escaped the cage and ran off in the direction of her backyard. Sarah, being an animal lover, couldn't resist helping the fireman search for the kittens. With no luck at finding any kittens outside, Sarah could see that the fireman was exhausted, hot and probably thirsty, so she leads him out of the hot sun and into her cool house.

"I've been having this queasy feeling in my stomach every time I'm around someone I like," I whisper to Mr. Dupree. I was only telling him this because I've known him since I was in fifth grade. I trust him enough to tell him anything I might be having problems with. Besides, he knows my parents perfectly well and I have a class with him. "My nipples harden every time I think of sex and my whole body gets goosebumps. Just like it was getting them right now."

"It's perfectly normal," He looks at me. His eyes take in my arms, legs, chest. I looked at his brown-hazel eyes, noticing how round his eyes were. The round chin made him look so much better and those peachy, puffy lips of his were to die for. I sighed before. I almost HAD sex with someone once. But it was more because he kept insisting and me, having no power of will, almost submitted to that guy's (ex boyfriend) constant groping.

I quickly notice how Mr. Dupree was looking at me through his eyelashes. All the nerves in my body were going off. I was tingling all over and throbbing with arousal—specially my breast and my pelvis. "But I almost did." I admit. This seems to make him pause and think about it. Was it me or was he nervous? He looks at me weirdly. And I smile, genuinely. My breathing was becoming too erratic; too uneven. I was having a panic attack. Immediately, he notices this. I look at the door to see if it was open but I remembered that I had locked it and pulled down the blinds when I came into his classroom earlier. He grabs my hand and brings me in for a hug. My arms lay flat on his hard, yet comfortable chest as I lay my head there. "You'll be okay. It'll pass," but it wouldn't pass. At least not until I got what I needed.

He holds the back of my head and takes in a deep breath, kissing the top of my head. I cried for a bit as he kept comforting me. I was about to pull away, feeling better, when I noticed something quite odd. With his free hand,

he was making small circles on the uncovered part of my neck and he was caressing my hair with the other one. It felt nice. I couldn't deny that. Heck, it felt amazing but that wasn't the only thing I felt, though. I felt something poking my stomach. Something hard but soft at the same time. I quickly pulled away from him after that, blushing uncontrollably. "I shou-... Umm..I should go." I grabbed my purse quickly, forgetting my jacket in the process, and left out the door. I stormed past all the freshman on the floor without looking

back. Had I done that? Me? Why didn't I confront him about it? I liked him, so why didn't I? I guess those were my hormones.

My phone begins to go off as soon as I was as far away as I could get from the school. I take my phone out and set it to silent mode, already knowing who it is. I go into my house. I had decided to just skip the whole school day. It wouldn't affect my record, so it was okay. I lay down on the leather sofa, looking up at the ceiling in the process. Just remembering what happened made me tingle with arousal all over. My whole body felt weird, like jelly. Without knowing it, my hand had slipped down into my shorts as well as my panties. I was wet—really, wet. I let my middle finger stimulate my clit. It felt good, real good.

I sighed as it began to tickle but the sense of pleasure was still there. The small nub grew a bit bigger, making me gasp as I stimulated it. It was sending small shocks of ecstasy all over me.

I imagined Mr. Dupree on top of me, or at least his hands, were touching me. I imagined his long, nimble finger was doing what I was doing to my little clit, bringing me closer and closer to cumming. I moaned again. I kept flicking my clit faster and faster. I shrieked, knowing how close I was to having my orgasm. I wet my finger several more times so I had better access to my small, hard nub. That's when I started to tingle all over with pleasure. My back started to arch and my legs began to twitch. Out of pure instinct, I closed my eyes and arched my back, spreading my legs out further as I felt my orgasm hit me like a big tidal wave of ecstasy. I felt sticky and tired, but I was still horny, though.

A few hours later, by the time school was over, I'm up in my bathroom taking a shower when all of a sudden the doorbell rings. I grabbed the towel and quickly wrapped it around my body and headed downstairs to open the door. I took a deep, nervous breath as I saw who it was. "What do you want, Mr. Dupree?" I ask. He walks by me and into the living room without asking or saying a word.

"I want to give you something. You forgot your jacket," he says. "I know," chewing on my lower lip. There was a mischief in his eyes that didn't show in his face. "Here," he pushed it forward and handed it to me. I reach for it. "Thank you," I say. "I guess I should go," he starts.

"Yeah, you really should." I purse my lips. I look down at the floor. Then I hear him say, "Erica, you should really learn how to deal with things – now. You might develop hang-ups later on," he said with a smirk on his face. I knew right there and then that he wanted to. I walked closer towards him and flirted right back.

"Come here, you," he whispers, grabbing me and leaning down as though to kiss me. I have been way too horny

lately and this couldn't be stopped. Even if we both wanted to. His lips came closer to mine and just when I thought he'd kiss me, he grabbed my waist and turned me around. That made my towel loosen up a bit so I had to hold it in place. His hands made their way down to my legs as he holds me around the waist. I felt a cool breeze hit my ass cheeks and then breezed across my legs. I wondered what he was doing. Was he trying to get my

towel down? He keeps touching all the

naked parts of me, including my young butt. Whatever he was doing made me throb with arousal. It made my nipples sensitive and vulnerable to anything that might brush against them. Right then, cold air hit my breast followed by his cold hands. I felt my nipples being pinched by his fingers. He pinched them, squeezed them, rolled them.

His soft wet kisses traveled down along my neck as his tongue licked wherever it could. I placed my hand on the back of his head. I could feel his cock in between my ass cheeks. I push back against him grinding my ass against it. It felt quite hard. It also felt quite big. I felt it twitching as I kept grinding myself against it. All of a sudden my towel was yanked away and his fingers started probing my private area. I could feel his fingers touching me. I was very aware of what he was doing to me. I moaned as he touched my engorged clit and it felt really, really good.

He took me over to the sofa and laid me on it and he slowly licked his way past my stomach to my mound. I yelped as soon as I felt his tongue part my pussy lips. His tongue found my clit, just below where I usually play with it. One hand moves up to touch my firm boobie. My whole body fired up like never before. My back arched up as I threw my head back. I moaned very loudly, holding the back of his head as my climax waned.

Then Mr. Dupree gets on top of me, straddling my body, and kissing me hard on the lips. He tasted of me and it only increased my ardor. I'm completely naked, just out

**He reached down to grab his cock as I spread my legs for him. My pussy kept clamping down on his cock as he entered me, which made it feel better for him. He kept slowly penetrating me until all of him was inside of me.**

from my shower so I began to remove his clothes as fast as I could. I pull down his zipper cautiously because I noticed the big bulge in his pants. I felt the impulse so I reached into his pants and boxers. I grabbed his cock hard and pulled it out. It was long and beautiful with a reddish-purple head. Perfectly straight, hard, long, and soft with bulging veins standing out just under it. His balls were large and clung perfectly close to his cock. I wrapped my hand around the base of his shaft and squeezed. Slowly I pulled my hand up and shoved it back down, stroking him tightly.

I pulled down his pants and his cock sprang out. I rubbed the head and lowered my lips to it. I licked that little hole that was at the top his cock and then under the crown and all around the head. What I really enjoyed was the musty smell of his cock and the salty taste of his skin. I rubbed it against my cheeks while looking up at him. But before I did anything, he grabbed the back of my head, leaned down and placed his soft, puffy lips against mine. His hands roamed down to my boobs and squeezed. I proceed to give him a peck on the lips before crouching to take his cock into my mouth. At first I started out sucking slowly, but then I did it a bit faster since his constant grunting and hair grabbing told me he liked. I licked as much of it as I

could and took in as much of it as I could.

I reached behind and gripped his ass with both hands to pull his cock deeper into my throat. I opened my mouth as wide as I could to try to make it easier. He started grunting louder and louder until he buried his cock in my mouth and a warm, gooey, sweet liquid spilled into me. He gave a few more thrusts before pulling out to let me breathe. Then I sat back on the couch dragging him along with me. He paused slightly to remove his pants and boxer before getting on top of me as I lay down with my head on the arm rest. He reached down to grab his cock as I spread my legs for him. My pussy kept clamping down on his cock as he entered me. He kept slowly penetrating me until all of him was inside of me. His cock filled my vagina and it felt so damn good.

Mr. Dupree placed his hands under my knees and raised my legs a little so that he could get on his knees. My pussy walls clamped down on his cock again as he kept thrusting in and out of me. His breathing was becoming heavy and his thrusting a bit faster. He leaned down again and let go of my legs. I positioned them at either side of him and felt him pumping faster and faster. Soon I felt my whole body getting hot and my pelvis getting in sync with his thrusting. I felt his cock thrusting deep into me every single second. I moaned loud as my body tingled with excitement and pleasure. I liked the way he pushed forward as fast and as hard as he could. All of this put together made me shudder with wave after wave of pleasure and ecstasy.

I enjoyed every second that Mr. Dupree spent with me and every single thing that he was doing to me. I enjoyed his big cock, his passionate kisses, and the way he was fucking me without stopping. I loved the feeling it was producing deep inside of me. Again I moaned out loud. My whole body was on fire. I dug my nails into his skin before I felt my pussy tightening around his cock. I buried my head on his chest once again as I climaxed once again. As soon as I stopped cumming, he started but he didn't stop his thrusting. He just kept on going hard and fast, grunting all the way, until he was done spurting his seed into me. We both hung on to each other, letting our breathing slow down before he so carefully pulled out.

He backed off me and sat down. I composed myself and collected his clothes and told him to get dressed. I grabbed my towel and headed back for another shower.

## SORE THROAT

Hi!  
I'M MELANIE. THESE  
PICTURES OF ME ARE FOR  
OUR MUSICAL'S PROGRAM.  
I'M LEAVING ACTING CLASS  
EARLY TODAY TO HAVE MY  
'SORE THROAT' LOOKED AT.

featuring  
*There's Something in My Throat*  
**Melanie Memphis**

I'm practicing for a new role in my college musical: "Is the Doctor In?" where I play the sick student who goes to his office for an examination. Like every good actor, I must do my research to really get into the role. So, today I've set up an appointment to visit Dr. Longenhardt, MD so I can learn and study for my part.

I DON'T KNOW WHY MY  
BOYFRIEND IS MAKING ME POSE  
LIKE THIS. WE PROBABLY CAN'T  
USE THEM IN THE PROGRAM.

OH MY! MY THROAT IS  
REALLY SORE. MAY I  
PLEASE BE EXCUSED TO  
GO SEE A DOCTOR?

HURTS.

MISS,

THAT OKAY?

YES,  
THAT'S OKAY  
WITH ME.

NOW  
OPEN WIDE AND SAY  
"AHHHHH." YES, I THINK  
IT LOOKS PRETTY PINK IN  
THERE. YOU MAY NEED  
SOME MEDICATION.

MY PRESCRIPTION  
FOR YOU IS HOT TEA  
- AND A BLOW JOB.

WHY DOCTOR - IS THAT A STETHOSCOPE IN YOUR POCKET, OR ARE YOU JUST EXCITED TO TREAT ME.

I WONDER WHAT SORT OF MEDICATIONS HE'S GONNA TO PRESCRIBE. I HOPE SEX IS ONE OF THEM!

THIS IS USUALLY  
THE FIRST STEP IN CURING  
MY FEMALE PATIENTS.

THAT'S AN  
INTERESTING  
WAY TO TAKE MY  
TEMPERATURE.

MISS HEAD NURSE,  
I'VE NEVER BEEN EXAMINED  
LIKE THIS BEFORE. IS IT  
THIS WAY WITH ALL HIS  
PATIENTS?

NO DEAR,  
ONLY THE PRETTY

TO STOP YOUR HEART BEAT  
AND FUCKS GOOD ENOUGH  
TO RESTART IT.

THAT'S IT, MY  
GOOD DOCTOR! FUCK  
MY PUSSY - AND MY ASS!  
I JUST LOVE YOUR BED-  
SIDE MANNER!

I'M SURE HE'S  
NEVER HAD A PATIENT  
AS HOT AS ME BEFORE,  
OR ONE THAT LET HIM FUCK  
THEM IN THE ASS.

**SO NICE WHEN THE DOCTOR IS IN!**

I'VE LEARNED  
A LOT TODAY, LIKE NOW I CAN  
SHOW YOU WHERE ALL THE 206  
BONES IN YOUR BODY ARE,  
AND THE ONE HE JUST  
GAVE ME.

THIS IS AN  
INTERESTING REMEDY.

GIVEN YOU AN HOUR OF  
OFFICE TIME?

BLAIR-NTS-07

I GUESS THAT  
WAS OKAY, DILLON  
BUT YOU'RE GOING TO HAVE  
TO DO IT AGAIN AND AGAIN  
TO LEARN THE BEST WAYS  
TO DO IT.

YES DILLON,  
PRACTICE, AND  
PRACTICE, AND  
PRACTICE. I WANT  
YOU TO.

HECK, RACHEL...  
HOW DOES HE GET IT SO  
BIG AND SO HARD? I DON'T  
UNDERSTAND. DOES HE  
WALK AROUND ALL DAY  
LIKE THAT?

Rachel Starr  
and  
Dillon Carter

WELL, IT'S  
KINDA CUTE, BUT  
SMELLS LIKE RACHEL

I'M GONNA DO IT...  
I'M DOING IT!

DILLON'S NOT A  
FAST LEARNER. SHE  
MAY BE AT THIS FOR  
A WHILE.

A photograph of a woman performing a butt plug on a man. The woman is positioned behind the man, who is lying on his back. She is using her hands to guide a large, flesh-colored butt plug into the man's rectum. The man has his eyes closed and a neutral expression. The woman is wearing a black lace garter belt and black stockings. The scene is set in a kitchen, with a white door and a wooden cabinet visible in the background.

WHILE SHE'S BUSY,  
I'M GONNA PARK MY FINE  
BOOTY ON THIS GUY'S FACE.  
I HOPE HE KNOWS WHAT  
HE'S DOING!

FINALLY, RUSSY!  
THIS DOESN'T TASTE LIKE  
TUNA OR LOOK LIKE A TACO  
FROM DOWN HERE. BUT IT'S  
REALLY COOL THAT I'M  
DOWN HERE!

OKAY DILLON. I'M GONNA SIT ON HIM FOR A WHILE. YOU CAN HAVE YOUR TURN AFTER ME.

OKAY LOVER BOY, LET'S SEE WHAT YOU CAN DO. CAN YOU PLEASE ME? CAN YOU MAKE ME CUM?

HECK, RACHEL, DID YOU  
PUT A PHONE NUMBER BELOW?  
I'M OVER 18. SHOULD  
I CALL IT?

I HOPE HE  
PUTS IT IN HERE NEXT...  
OK BOOTY HOLE...  
YOU'RE NEXT!

OVER 18 ONLY

**YES, YES... YOU SHOULD CALL NOW**

# What does she really mean?

*What comes out a woman's mouth isn't always what she's thinking. Don't be fooled again. We've tried to understand them from the beginning of time. Cavemen had to decipher their grunts. Today, we have to read between the lines or read their minds. Here's a guide.*

**a. We:** 99 out of 100 times she means 'I.'

**b. Thank you:**

When she thanks you – don't question it. Hopefully, she's really just thanking you. However, if she says: "Thank you very much" with the emphasis on 'very much,' that's probably sarcasm.

**c. I came:**

Now pay me so I can beat the traffic -- or -- I'm tired of you dripping sweat on me -- or -- get your heavy ass off me -- or --

**d. Whatever!**

Another very dangerous word. Depending on the context, she's blowing you off (not in a nice way) or doesn't want to be bothered by your minuteness.

**e. Are you listening?**

Never lose track of her conversation. If she mutters this, it's the kiss of death. And never, ever say 'No.'

**f. Of course:**

You know she'll never agree with you. She's setting you up for something else.

**g. Good:**

Really? You'll only hear this when she has made her point or gotten her way. At that point, you need to realize there's nothing more you can say.

**h. Do you think I'm fat?**

All men should know by now that the truth will get you killed (that's the easy way out), a permanent attitude; or cut off from sex the rest of your life.

**i. It's nothing, darling:**

Oh no it's not. It's something and you're going to have to guess what it is.

**j. We need to talk:**

You don't need to talk. You only need to listen and nod in agreement every once in a while.

**k. I don't want to talk about it:**

Oh yes, she does, but only when she's ready and she's thought of all the ways to cut your balls off.

**l. You never listen to me:**

She's right.

**m. Only five more minutes, babe:**

Yeah, right! Her clock doesn't keep time the way yours does. One minute to her is like dog years, seven to one. But if you say it and keep her waiting, she won't talk to you until after you get there.

**n. I'm a virgin:**

You'll never get in my pants.

**o. Do you love me?**

This is not an affirmation of love she wants. It's usually an expensive token.

**p. How much do you love me?**

This is not a request to recite the famous Elizabeth Barrett Browning poem, but a reminder that the present you haven't gotten her just yet should be a lot bigger than you were planning.

**q. Did you like dinner this evening?**

The answer is always 'yes' no matter how good or bad it was or you'll be sharing the dog bowl.

**r. Not tonight:**

I have a date with my vibrator.

**s. That was wonderful:**

But I've had better.

**t. Did I just hear the baby?**

No way she's getting up to deal with it, so next time use a condom.

**u. But, I said please:**

This is definitely a head power trip. Even if she didn't say it, she expects it from you anyway.

**v. Is the bread all gone?**

Even if you bought a fresh loaf yesterday, it's not bread she wants. She'll tell you to get it and some other things, too.

**w. I'm not yelling:**

She is yelling because she is stressing her point. You have no point to make, now.

**x. Deep sigh:**

This is a non-verbal noise that most men will not understand. It's exasperation and she's wondering why she's wasting her time arguing with you about nothing.

**y. Go ahead, have fun at the party:**

And you won't because she didn't mean it. She'll be calling every few minutes to be sure you are 'having fun' and to find out who you're talking to. And, lordy, lordy, if it's a woman, she'll be there in two minutes spewing ice daggers from her eyes at you and the bitch. You can forget about sex for a month or more.

**z. Where are you?**

Why the fuck aren't you there at her beck-and-call?

***So... don't say we didn't tell you so!***

## DETENTION

MY MATH TEACHER,  
MS. CAMPBELL SAYS  
I HAVE TO STAY AFTER  
SCHOOL AND TALK WITH  
PRINCIPAL LANG.

**MS. CAMPBELL  
THE NASTY MATH  
PROFESSOR**

featuring  
*A Straight A Student Body*  
**Lendsay**

I went to this college because I heard it had one of the best math programs in the country. I graduated at the top of my class in high school, so I was excited to get the next step in my education going. The first couple months went okay, but then I started getting an attitude from my math professor, the infamous Ms. Campbell.

**MR. LANG  
THE RUTHLESS  
COLLEGE DEAN**

I think she had it out for me, and I don't know why. I did good on my tests, I raised my hand and participated in class. I never chewed gum in class. Oh, but there was this one time when she caught me giving Jimmy a hand job after our quarterly tests in the back of the room. 'But he didn't cum!' I told her. She took me into her office for a dressing down.

SHE KNOWS I'VE BEEN WATCHING HER IN CLASS. NOW SHE'LL GIVE ME THE TONGUE LASHING I WANT.

A couple days later, Ms. Campbell called in the Dean of Students, Mr. Lang, to talk to me. He has a reputation as being hard, but fair to us students. Even so, I was nervous and a little afraid that he might expel me from school, or tell my parents. When he came into the classroom after the class was dismissed, he seemed pretty nice.

WHenever I had to stay after class before, it was always with a bunch of other horny students.

I love this teacher's lips around me. I can't wait until she takes me all the way down her throat.

Then, to my total surprise, Ms. Campbell started telling him that I was loud and flirty, and I was hitting on all the boys. I told him that was not true, I only did something one time, 'and the guy didn't even cum!' Oops, I probably shouldn't have said that to the Dean. He made Ms. Campbell pull my white cotton panties down and then he made me pull hers down, too. I was stunned.

I WONDER  
IF SHE'S GOING TO  
GIVE ME AN A FOR EFFORT.  
I'M TRYING MY BEST BUT  
THIS PUSSY LICKING IS  
NEW TO ME.

LOOKS  
LIKE TEACHER  
AND DEAN LANG  
HAVE DONE THIS BEFORE.  
I THINK I'M STARTING  
TO LIKE IT...

SHE TELLS  
AT ME FOR TALKING  
LOUD IN CLASS WHEN  
NOW I HEAR SHE'S A  
BIG SCREAMER,  
HERSELF.

## BANGING MY WIFE'S GIRLFRIEND

Rosie, my cute little brunette wife of 15 years, really has a fine head on those trim shoulders and she really knows how to use it for something more than an eager receptacle for my bulging, overheated dick.

She proved that to me a while back when she figured out a way to indulge in one of our favorite fantasies—and get paid for the privilege! I was in the shower one afternoon when I heard her come in. “Martin!” she called, “Martin, where are you?” Now, Rosie never calls me Martin unless she’s angry or wants to talk business. Unfortunately, I wasn’t in the mood for either. I looked down at the throbbing erection held tightly in my clenched fist and groaned.

“I’m in the shower, hon,” I answered in a hoarse voice. The next instant she had yanked back the shower curtain and stood there staring in at me, her tiny hands planted on her pert hips. I managed a guilty grin.

“Oh, Martin,” she fumed. “Are you jerking off again?”

My grin got wider. “Was, baby. Come on in, the water’s fine,” I leered.

For a moment she continued to stand there and glare at me, but then I saw the corners of her mouth begin to twitch and I knew I had her. She giggled as she began fumbling at buttons, hooks and snaps. In less than 30 seconds she stepped in beside me, molding her slim body to my ass. “Here,” she said, reaching around to take my swollen cock from my hand, “let me help you with that.”

There was a long tube of soap gel with the funny little hook over the end for hanging on the shower head. With her free hand, Rosie flipped open the hinged cap and squirted some of the blue gel onto her fingers. She began very slowly to massage it over the length of my rigid tool.

I sighed, leaning back against her warm body as the water splashed against my chest and upper arms like dull needles, heightening my pleasure and making my nipples stand at attention.

When she had finished soaping me, Rosie arched me back against her and let the pulsating shower tickle my thick knob as it washed away the suds. Then she turned me slowly around to face her. Then she gave me her sexy, you’re-in-for-a-treat smile, and sank to her knees on the tiled floor.

Her pink, pointy little tongue flicked the moisture away from my cock, and then she quickly engulfed it with her warm red lips. I took her head in my hands and rocked gently against her as she sucked and licked lovingly over the entire length of my eight-inch prick. A groan escaped my lips as I felt my balls bounce against her chin, and I looked down to see her deep-throating the full eight inches.

The sight was too much, and I stiffened as I felt the first spasms of orgasm begin deep in my loins. Rosie reached up to squeeze tenderly at my balls as she milked load after load of sweet cum from them, lapping up every drop. I reached down to pull Rosie to her feet. She raised those hot, beautiful lips for a kiss, and I quickly crushed them with my own. Thrusting my tongue deep into her mouth, I tasted my own cum and Rosie’s own special flavor.

Rosie placed her little hands on my shoulders and began to tug insistently at them. I smiled lazily down at her. Rosie tugged harder, arching her hips against me. "Go down, Moses," she crooned softly, "Go down, go down."

I quickly obliged.

Finding Rosie's juicy love box presented no problem. Several weeks ago, as an experiment, we had taken the razor to her dark bush. Rosie had loved the result, and now kept her mound as clean and slick as a baby's ass. She shivered as I ran my tongue over her pussy, licking and prodding her throbbing clit. The angle was wrong, so I couldn't slide my tongue into her aching tunnel; but I inserted two fingers instead.

"Lick me, Marty. Suck me, baby." As if spurred on by the sound of her own voice, Rosie began fucking my face in earnest. Rosie bounced delightedly against my face in earnest. She gripped my head and shoved it between her rocking thighs, burying me in her soaking pleasure center. I teased and tickled her clit, holding her on the verge of climax until she begged for more.

"Damn it, Marty, eat me. Make me come, please, please!"

I sucked her erect clitoris into my mouth and increased the tempo of my tongue, slapping it back and forth across the sensitive bud. Rosie rubbed and squeezed her firm, full tits, pulling and tweaking at the plump nipples. Then she was shuddering with the force of her release, her body giving up its delicious, fragrant treasures to my hungry, gulping mouth, as she cried out in agonized ecstasy.

I stood and pushed Rosie beneath the cascading water, soaping away the last vestiges of our lust.

Later, we lay side by side in the big old brass bed. Rosie idly traced a path around one of my nipples, occasionally stopping to pinch it gently between her thumb and forefinger. "Marty, do you know how horny you get when we talk about fucking someone else, you know, a threesome?"

"Mmmm," I acknowledged, wondering what she was leading up to. Instead of telling me what was on her mind, she switched tactics.

"I had lunch with Gloria again today, Martin." We were back to Martin again. She didn't appear to be angry, so I knew Rosie wanted to talk a little business.

"Rosemary," I said formally, switching to her full name, too, "would you quit stalling and tell me what it is that's on your mind? Does it have something to do with Gloria?"

"Well, yes. She's so unhappy; it really hurts me to see her so depressed. She wants a baby so badly, and they got the results from Robert's sperm count today. The odds are about one in a thousand."

"That's too bad, but she should have thought of that before she married a guy 35 years older than she is. What did she expect, a 65-year-old fucking

machine?

"Oh, Marty, it isn't that. Gloria says Rob's as much a stud as a man half his age, he just can't make her a baby."

"Christ, Rosie. They're rolling in dough. Why doesn't she go to one of those fertility clinics? Hasn't she ever heard of artificial insemination?"

"Well, Rob won't agree to that. He doesn't trust those places; he says there's no telling what kind of kid she might have. You know, he's pretty eccentric in his way of thinking."

She leaned down to nip at my breast with her sharp little teeth. I groaned, feeling old faithful rise to the occasion.

"Rosie," I said, hoping to bring the conversation to a quick conclusion. "I'm glad you're so concerned about your friend, but how does this concern us? I don't see any way we can help."

"Oh, but there is a way, Marty." Rosie quickly sketched out her plan.

Gloria thought she could get her husband to agree to artificial insemination if he could have a choice in the donor. There was another catch too. Robert, a powerful, aggressive business tycoon, had lost a good portion of his prestige in the business world over the past few years because of health issues. He thought, and his advisers agreed, that getting his beautiful, sexy, young wife pregnant would help him regain some of that prestige. For this reason, the donor would have to be somewhat similar to him in appearance; specifically, he had to be reasonably tall and, above all, have red hair.

Rosie tugged at my own carrot top to emphasize her point. A nice fat fee would be involved, half at the time of insemination, half upon the birth of the child.

"How much of a fee, Rosie?" I asked, not entirely sold on the idea of being put to stud service.

"Ten thousand dollars."

I gave a low whistle. Ten thousand dollars for a little of my cum to squirt up the lady's lovely, eager cunt? That worked out to roughly a few thousand an ounce. I stuck out my chest and preened a little. "There's gold in them thar balls."

"There's something else too, Marty," Rosie continued, dropping her hand down to caress my rapidly hardening cock. "Why would it have to be by artificial insemination? Somehow, I get the impression Gloria wouldn't mind if we had a little hot fun along the way.

After all, you're going to be well paid, so what would be wrong with enjoying our work?"

I caught my breath. Rosie and I talk a lot about our fantasies. And she knew how much I wanted to see her heart-shaped little mouth ping itself around a dripping pussy, while our "dream-partner" gobbled my turgid cock. Rosie dreamed of holding our partner's ass cheeks apart while I mounted her and rode her doggy-style and, if the chick was willing, greasing her ass for a little dirty pool. So far, talk is as far as we've gone.

I stared at Rosie, at the sweet, deceiving innocence of her dark eyes. Rosie stared back. "We'll do it," I managed to croak, shoving her over onto her back and ramming my rock-hard dick into her moist tunnel.

The images Rosie had created danced around in my mind as Rosie pulled my head down to whisper into my ear exactly what we would do with that rich bitch Gloria, once we got her into our bed. Rosie met each thrust, first tightening then releasing her talented pussy, as she talked us both into frenzy.

All too soon, Rosie moaned and clung to me, arch-

ing her back under me as wave after wave of orgasm coursed through her, the sucking, mouth-like motion of her cunt quickly drawing my white-hot cum from my spasming cock.

We collapsed against each other in total completion. I rose up on one elbow to look down into Rosie's smiling face.

"One question, baby. Has this chick been coming on to you?" I asked jealously.

Rosie's quick burst of laughter filled the room. "No, silly. But I think I'm coming on to her!"

We went about our usual routine over the next few days, but I don't think Rosie's little plot was very far from either of our minds. The idea was to go along with the "artificial insemination" charade until we got Gloria over to our place, and then just let nature take its course. If it worked, Robert would never know the difference. The timing was perfect. With our own kids away at summer camp, we had the entire house to ourselves.

---

*I mounted her and rode her doggy-style and, if the chick was willing, greasing her ass for a little dirty pool. So far, talk is as far as we've gone.*

---

On Monday night Rosie met me at the door. "She's coming," she hissed, giggling with excitement. "Gloria's coming over tonight!" I felt my prick bump against my tight jeans in randy anticipation.

By the time Gloria arrived, Rosie and I had consumed two very stiff drinks each. And from the flush on her cheeks, I guessed that Gloria had downed a few herself. Rosie made a fresh round for all of us, and we sat around in awkward silence for a few minutes.

Gloria quickly drained her glass and handed it to me for a refill. Her eyes seemed drawn to the raging hard-on now barely contained inside my pants. She continued to stare as I walked back toward her and extended the now-brimming glass. As she reached up to take it, her hand brushed against the bulge I had deliberately placed within easy reach. Her gaze traveled slowly up my body to look deeply into my eyes.

"Would you like to take your drink into the bedroom?" I asked gently. "Rosie will help you get undressed."

She stumbled a little as Rosie helped her from the chair and guided her toward our bedroom. I waited in the living room as Rosie put Phase II of our plan into operation. This step would determine whether I would empty my aching balls into the sterile petrie dish Gloria had thoughtfully brought along, or into luscious

Gloria herself.

Rosie fairly skipped back in to join me. "It's working!" she gloated. "She's so hot, she's practically squirming all over the bed! I folded her clothes as she undressed, and Marty, her panties tell me she's ready to rock!" Rosie picked up her drink and finished it. "I told her to just lie there and finish her drink and relax. Before leaving the room, I leaned over to give her a friendly kiss, and Marty, she kissed me back!" Maybe she was just feeling a bit 'friendly' too.

"Marty, I'll go check on her; you get ready for Phase 2."

I slipped out of my clothes, following Rosie's command. My cock sprang gratefully free of the confining material. It took a lot of will power to keep from pumping it a little but I restrained myself manfully. I stepped to the bedroom door and listened for a moment.

---

*Rosie was in second heaven, slurping on first one plump boob and then the other, finally pushing them together and trailing her tongue back and forth across the two nipples.*

---

"Let me just check you, honey, to see if we need to use a little lubrication. We'll have to insert that hypodermic syringe way up inside you, you know, to shoot Marty's sperm way up in there," Rosie was saying.

"Oh, sounds nice," Gloria moaned.

"Feel good, honey?" Rosie asked in a soft, sensual tone.

"Oh, yes, Rosie, it feels real good."

I almost spoiled the whole thing by shooting my load right there in the dark hallway, just listening to those two getting it on in there. I shoved the door open and stepped inside.

"What's going on in here?" I asked. Gloria's eyes went immediately to my stiff, protruding ramrod. Rosie snatched her fingers from her friend's throbbing bush and jumped up in mock embarrassment.

"We were just getting Gloria ready, honey."

I stalked over to the bed, my cock hanging within inches of Gloria's face. "I'll just bet you were," I said, gazing into Gloria's round, fascinated eyes. "You're after my wife, aren't you? That's what you came here for really, isn't it? Were you trying to get her to eat your pussy?" From the other side of the bed, Rosie gave me a slow wicked wink.

Rosie dropped down on the bed beside her. "Of course I was, baby," she said, patting Gloria's arm, and then moving her hand over to cup one large, ripe breast. "You just calm down, honey. Marty, you're frightening her."

Gloria's eyes remained on my knob. "Am I really scaring you?" I challenged, thrusting my hips forward.

Gloria slowly shook her head no. I took my cock in my hand and held it before her eyes. "This is what you really came for isn't it, little Gloria? We know you want my cum, but is that all you want?"

She lay for a moment without speaking. I pushed my dick against her face. "Well, answer me, isn't this what you came for?"

"Yes," she whispered, "yes, oh yes." She turned her head to lick lovingly at my dick. Rosie smiled triumphantly at me, and then lowered her head to take one dark, erect nipple into her mouth. Gloria moaned, and I slipped my cock into the warm recesses of her mouth.

Rosie was in second heaven, slurping on first one plump boob and then the other, finally pushing them together and trailing her tongue back and forth across the two nipples. Then she released them to let her tongue wander down across Gloria's glistening abdomen to the blonde thatch between her legs. I was close to popping, so I had to pull out of Gloria's mouth as Rosie bent her dark head and inserted that talented tongue into Gloria's eager pussy.

As Gloria pumped her voluptuous hips against Rosie's head, I took my turn lapping at those terrific tits. "Oh my god," Gloria moaned, as she reached a shattering climax. Rosie held on and rode her like a trooper, making her come again and again, as she slurped up the river of juices Gloria poured over her.

When Rosie at last pulled her face from Gloria's sopping snatch, I leaned over and licked the wealth of warm pussy cream from Rosie's face. Rosie smiled at me as if saying, "All right, you got your fantasy. It's my turn now!"

Rosie helped Gloria to roll over onto her stomach, and then pulled her butt high into the air.

"Come on, baby," she said to me. "Fuck her good. That's what we're here for."

Rosie lovingly spread those firm ass cheeks and positioned my cock at the opening of her friend's cunt. Then she leaned down to plant a wet kiss on my throbbing rod, before kneeling by the bed for a close look at the action.

I began with a slow steady rhythm, but both women soon cried out, begging for more; and I really poured on the steam. I gave her the full eight inches, drawing it almost out again, then ramming it home once more as my balls slapped against her naked ass. Gloria grunted and moaned with the force of each inward thrust, and

she was loving it. I felt her fingers brush against my legs and balls as she finger-fucked herself.

Rosie looked on in sheer joy, while jamming her fingers in and out of her own dripping cunt. We all three exploded in such perfect synchronization that it would be hard to say which of us lost their load first. I cannonballed shot after shot of hot, sticky cum into my very willing target, while Gloria beat her pussy into a frenzy of orgasm. Rosie moaned in pleasure as she jerked herself off and watched our frantic fucking on the bed. We collapsed into a sodden tangle of arms and legs and sweaty bodies.

Then the girls left me to go take a shower, and I felt my cock ripening again as I thought about what they might be doing to each other in there. When they returned, they looked at each other across my stiffening member. "Go get him, baby," Rosie urged.

Gloria promptly climbed on top of me and slowly speared herself with my rigid pole. Rosie climbed on too, straddling my face with her cunt and reaching out to tweak and pull at Gloria's ripe tits. I was a happy prisoner of love as those two fuck-happy bitches worked me over.

I nursed Rosie's clit like a starving infant, and was soon rewarded by the liquid flow of cum as she sky rocketed wave after wave onto my face and into my eager mouth. Sated, she moved off of me and slid down to suck on Gloria's swollen nipples, inserting a finger into the girl's hot blonde bush.

From my submissive, reclining position, I could only watch as Gloria pumped her ass faster and faster over my rock-hard prick, and Rosie fucked the living daylight out of that fuzzy cunt with one long slim finger. I stiffened suddenly, ramming my cock hard into her dark, wet pussy as my milky cum spurted up into her in long, jolting splashes.

Rosie increased the motion of her phallic finger, and soon Gloria was joining us in orgasmic glory. We were one very tired, very happy group that night as we kissed each other a fond goodbye.

Gloria returned to us every night that week, as she

---

and Rosie had planned. It was Gloria's peak period of fertility, and the girls were sure our fucking would bear the fruit we so eagerly sought. Then, for nearly six weeks, we didn't see Gloria.

When we did finally call, you can bet we were quick to invite her over to our house.

I could tell by the gloating look on Gloria's face as I opened the door to her that evening that our strategy had worked. I handed her a drink and she handed me 50 crisp, new 100-dollar bills. "You get the rest on delivery of the merchandise," she said with a twinkle in her blue eyes, "in about another eight months, I'd say!" She suddenly averted her eyes as they filled with tears.

"I wanted to tell you two in person," she said, "and I thought..." she paused and seemed embarrassed.

"You thought we might have a farewell fuck?" Rosie asked, not embarrassed in the slightest.

"Y-yes," Gloria stammered.

So we got to enjoy some last farewell sex, indulging our every secret fantasy, with Gloria a more than willing and eager participant. Rosie got to live out her ultimate desire as, with Gloria's permission, she pulled my dripping cock from her friend's pussy, and guided me into Gloria's tight little ass.

Gloria spent that entire night with us as we sucked and fucked the hours away. For Rosie and me, and for Gloria as well, it was a dream come true.

We don't see much of Gloria anymore. The experience would have been well worth it, even without the money.

# PORNELLA NOVELLA

**ROOFERS...  
REALLY?**

I saw my next door neighbor and said that my bedroom ceiling was leaking. She told me she had a good roofing company that could fix it. So I called and they sent out a couple guys. I met them around back and showed them where to set up their ladders.

MISS, COULD WE  
TROUBLE YOU FOR SOME-  
THING COOL TO DRINK..  
IT'S AWFULLY HOT  
UP THERE..

I'VE JUST  
WHIPPED UP A MINT  
COOKIE CRUMBLE FRAPPA-  
CHINO DOUBLE LATTE WITH  
MOCHA SAUCE AND A  
CARAMEL SUGAR  
SWIRL.

featuring  
Distraught Homeowner

THESE  
CLOTHES DON'T LOOK  
LIKE ROOFER'S CLOTHES.  
I WONDER IF RED AND  
BLUE ARE THE NEW  
BLACK?

SELFIE TIME

kisses

IF SHE'S LOOKING  
FOR OUR TOOLS, I HOPE SHE  
KNOWS THE DIFFERENCE  
BETWEEN A TROWEL  
AND A DICK.

DO YOU THINK  
YOU CAN STILL  
FIX MY LEAK YET  
TODAY?

I'VE NEVER  
HAD TWO DICKS IN MY  
HANDS OR MOUTH BEFORE  
LUCKY FOR ME THESE  
TWO SHOWED UP  
WHEN THEY DID.

I WONDER IF THE TALL  
GUY TASTES THE SAME AS  
THE SHORT GUY. IT'S HARD  
TO TELL UNLESS I HAVE  
BOTH IN MY MOUTH AT  
THE SAME TIME.

A blonde woman with long hair is standing in a field of green plants and yellow flowers. She is topless, wearing a light-colored floral-patterned cloth wrapped around her waist. She is smiling and looking towards the camera, with her tongue sticking out and touching a finger held by a person whose arm is visible on the left. Another person's arm is visible on the right, holding a finger. A speech bubble is positioned in the upper right corner of the image.

MISS,  
YOU SUCK GOOD,  
BUT MAYBE YOU SUCK  
BETTER WITHOUT YOUR  
TOP ON?

HEY!  
ONE'S LICKING MY  
ASSHOLE AND ONE'S  
SUCKING MY NIPPLE. I  
HOPE THAT DOESN'T  
COST ME EXTRA.

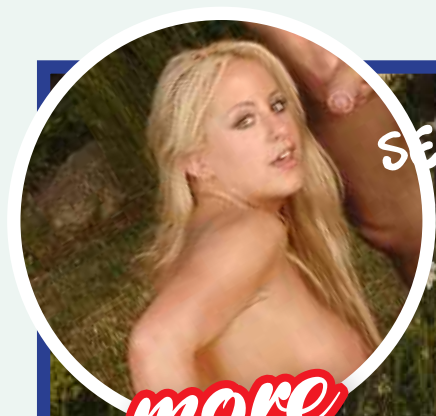

I HOPE  
SHE KNOWS SHE  
STILL HAS TO PAY US. I  
HAVE A WIFE AND  
SIX KIDS TO SUPPORT  
BACK HOME.

STRANGE,  
I THOUGHT WOMEN  
HAD PUBIC HAIR.  
MY WIFE HAS A  
LOT OF IT.

*more  
kisses*

OWWWW,  
SHE BENT MY COCK  
IN HALF!

ONE IN MY  
MOUTH AND ONE IN MY  
PUSSY. I HOPE HE'S NOT  
THINKING OF PUTTING THAT  
DAMN THING IN  
MY BUTT!

A photograph of a blonde woman with long hair, seen from the back, in a compromising position with a man. She is looking over her shoulder at the man's pubic area. The man's hands are on her buttocks. A thought bubble from the woman says, "STRANGE, THIS GUY HAS HAS SOME PUBIC HAIR. I WISH THEY WOULD GET IT STRAIGHT, HAIR, NO HAIR. GEEESH!". Another thought bubble from the man says, "I WONDER IF SHE WOULD LET ME PUT MY FINGER IN HER TIGHT LITTLE BUTTHOLE?".

STRANGE,  
THIS GUY HAS HAS  
SOME PUBIC HAIR. I WISH  
THEY WOULD GET IT  
STRAIGHT, HAIR, NO  
HAIR. GEEESH!

I WONDER  
IF SHE WOULD LET  
ME PUT MY FINGER IN  
HER TIGHT LITTLE  
BUTTHOLE?

I HOPE I  
REMEMBERED TO  
TURN THE WATER  
OFF IN THE BATH.

I HOPE I  
REMEMBERED TO  
PICK MY HUSBY UP  
AT THE AIRPORT.

I HOPE  
GRAPES ARE STILL  
ON SALE AT THE  
MARKET.

HEY...  
I FORGOT TO ASK IF THEY  
FINISHED THE ROOF. HMMMM...  
I DON'T THINK THEY FINISHED  
BECAUSE I GOT THEM SOME  
DRINKS... AND THEN...  
WAIT...
